

CONDOLENCES

Name:

Date:

In this video, Mike and Carolyn are offering Christina their condolences. Kyle asks Christina, "wasn't she super old or something?"

1. Did Kyle say the right thing?

2. Was he being supportive?

3. Why or why not?

4. What could he have said instead?

5. Carolyn offered her condolences to Christina. By doing this, she showed Christina she was supportive. How can we tell, based off of what Carolyn said and Carolyn's body language that she is being a supportive friend?
